Membership Process

All Prospective Members must be sponsored by two current members, a Proposer and Secunder. Once a Prospective Member's completed and signed application and letters of support from both the Proposer and Secunder are received, the Prospective Member's name and information is posted to the entire membership for 30 days.

During that 30 day period, the Prospective Members are required to attend a reception with their Proposer and members of the Club's Membership Committee and complete a New Member Profile.

Following the 30 Day Posting Period, the Prospective Members' application will be forwarded to the Board of Governors. Upon approval, the new members will be informed of their acceptance and will be provided with their member number and website access and will have access to the Club and its facilities and amenities. The first installment of the Initiaion Fee is also due at this time.
