

# Talbot Country Club

Established 1910

Rich in history and tradition, Talbot Country Club delivers an exceptional family experience where memories are made. Whether your interest is in our 18 hole championship golf course, swimming pool, tennis courts, dining services or year-round social events, Talbot Country Club will meet your family's needs...and most certainly exceed your expectations.

As you enjoy the Club, you will come to understand what makes Talbot Country Club such a special gem. With exciting events and activities throughout the year, Talbot Country Club is the perfect complement to your family's lifestyle.

The Talbot Country Club experience embodies the relaxed lifestyle and warm welcome of Maryland's Eastern Shore. But, we are so very much more than just great scenery, take a look at what Talbot Country Club is really all about...

“It’s one of those places that you always look forward to going back to...no matter how many times you have been here before.”

*Marc Kimminau  
Head Golf Professional*

## The Centerpiece of Talbot Country Club

The golf course, designed by Ed Ault, has a beautiful, classic Eastern Shore of Maryland design. The course is fun and fair with ten par 4's, four par 5's and four par 3's, providing a challenge for all skill levels. The forward tees play from 5,200 yards and the back tees play from almost 7,000 yards. Talbot Country Club's practice facilities were recently renovated in 2015 and the fairways were regrassed in 2016.

When not distracted by the breathtaking views, you will be tested by the superb layout that is a true shot maker's golf course. Proper position off the tee provides the best chance for low scores at Talbot Country Club, thus why the course appeals to golfers of all skill levels.

Talbot Country Club features a full service practice facility where you can work on both your short and long game. The Club offers a fun, competitive and well-rounded golf program that includes Men's and Women's Leagues, Instructional Programs, Individual and Group Lessons, Junior Golf, Informal Golf Events and various club tournaments.

# Recreational Activities for Everyone!

If you're looking for the perfect escape, look no further than Talbot Country Club. The Club's emphasis on family togetherness, enjoyment and relaxation is perhaps best realized at our expansive pool facility, which is the hub of socialization and fun for everyone during the summer!

Talbot Country Club features an Olympic sized swimming pool, wading pool for the youngest swimmers, a large play set for the kids and a Snack Bar. The pool is home to some of our most popular events including our Memorial Day, Fourth of July and Labor Day pool parties, Annual Triathlon, Happy Hours and Ladies Nights. The pool is staffed by an Aquatics Director and certified lifeguards.

Talbot Country Club has two full-sized tennis courts and a growing program led by our Tennis Professional. The tennis program includes private lessons for adults and children, group clinics, youth tennis camp and competitive and casual tournament play.

# The Perfect Spot to Dine With Friends

The Clubhouse offers spectacular views of the Trippe Creek and is the social hub of the Club. Overlooking the incredible beauty of the golf course, it is home to our dining and gathering areas, locker rooms and Pro Shop.

The Grille Room is a social, informal dining area with a large bar, fireplace and flat screen televisions. When the weather warms up, move outside to our large, screened-in deck overlooking the 18th tee and the Creek. In addition, the Club features two formal dining options, The River Room and The Canterbury Room. This provides the perfect setting for a romantic date night or elegant celebration with friends.

The Club's culinary staff is committed to extraordinary service and a constantly updated menu, featuring daily additions for lunch and dinner. A diverse selection of delicious menu choices means your palate will never get bored.
